KORDSA Inc.

Class ¹1 Permit Modification of Permit Number TNHW-175

EPA ID Number: TNR000018101

On June 25, 2019, the Tennessee Division of Solid Waste Management approved KORDSA Inc.'s (KORDSA's) Class ¹1 Permit Modification request to modify permit TNHW-175 to incorporate the parceling of the property at KORDSA's Chattanooga facility as a Class ¹1 permit modification. The purpose of the parceling is to identify and record in the permit the parcel that was sold by KORDSA Inc. to Naprotec LLC.

As stated in the permit modification replacement pages, KORDSA finalized the sale of a 2.89-acre tract of the KORDSA Inc. Chattanooga Plant to Naprotec LLC on July 27, 2018. The parcel contains SWMU 16, Former Disposal Area No. 3. The SWMU's history, conditions, and use restrictions are as described in the Modification No. 1 (A-1064) which include zoning restrictions, the prohibition of withdrawal or use of groundwater for any purpose, and a restriction against excavation or any disturbance of the ground surface without TDEC written consent.

Any questions regarding the permit modification should be directed to Daniel Morris, Regional Safety, Health and Environmental Leader, KORDSA Inc., 4501 North Access Rd. Chattanooga, TN 37415.
